

A farmer and his wife went to a fair. The farmer was fascinated by the airplanes and asked a pilot how much a ride would cost.

"\$10 for 3 minutes," replied the pilot.

"That's too much," said the farmer.

The pilot thought for a second and then said, "I'll make you a deal. If you and your wife ride for 3 minutes without uttering a sound, the ride will be free. But if you make a sound, you'll have to pay \$10."

The farmer and his wife agreed and went for a wild ride – loop-de-loops, steep dives, etc. After they landed, the pilot said to the farmer, "I want to congratulate you for not making a sound. You are a brave man."

"Maybe so," said the farmer, "But I gotta tell ya, I almost screamed when my wife fell out. But, you know, \$10 is \$10!"

A man comes home early from work and hears strange noises coming from the bedroom. He rushes upstairs to find his wife naked on the bed, sweating and panting. "What's up?" he says. "I'm having a heart attack," cries the woman.

He rushes downstairs to grab the phone, but just as he's dialing, his 4-year-old son comes up and says, "Daddy! Daddy! Uncle Mick's hiding in your wardrobe and he's got no clothes on!"

The guy slams the phone down and storms upstairs into the bedroom, past his screaming wife, and rips open the wardrobe door. Sure enough, there is his brother, totally naked, cowering on the wardrobe floor.

"You bonehead," says the husband, "my wife's having a heart attack and you're running around with no clothes on scaring the kids!"

A man who lived in a block of apartments thought it was raining and put his head out the window to check. As he did so a glass eye fell into his hand. He looked up to see where it came from in time to see a young woman looking down. "Is this yours?" he asked.

She said, "Yes. Could you bring it up?" and the man did. On arrival she was profuse in her thanks and offered him a drink. Soon she said, "I'm about to have dinner. There's plenty - would you like to join me?"

He readily accepted and both enjoyed a lovely meal. As the evening was drawing to a close the lady said, "I've had a marvelous evening. Would you like to stay the night?"

The man hesitated and then said, "Do you act like this with every man you meet?"

No," she replied, "only those who catch my eye."

Q. What's 6 inches long, 2 inches wide, and drives women wild?

A. Money!

Q. Why do women pay more attention to their appearance than to improving their minds?

A man was walking along the beach and found a bottle. He looked around and didn't see anyone so he opened the bottle. A genie appeared and thanked the man for letting him out. The genie said, "I am so grateful to get out of that bottle that I will grant you one wish. I can only grant one."

The man thought for a while and finally said, "I have always wanted to go to Hawaii. I've never been able to because I can't fly. Airplanes are too frightening. On a boat, I see all that water and I become very claustrophobic. So I wish for a road to be built from here to Hawaii.

The genie thought for a moment and finally said, "I don't think I can do that. Just think of all the work! Consider all the piling needed to hold up a highway and how deep they'd have to go to reach ocean bottom. Imagine the pavement I'll need! No, that's just too much to ask."

The man thought for a few minutes and then said, "There's 1 other thing I've always wanted. I'd like to be able to understand women. What makes them laugh and cry, why they're temperamental, why they're so difficult to get along with - basically, what makes them tick."

The genie considered for a few minutes and said, "Do you want 2 lanes or 4?"

When Apollo Mission Astronaut Neil Armstrong first walked on the moon, he not only gave his famous "one small step for man, one giant leap for mankind" statement but followed it by several remarks, usual stuff between astronauts and Mission Control. Just before he re-entered the moon-lander, however, he made the enigmatic remark "Good luck, Mr. Gorsky."

Many people at NASA thought it was a casual remark concerning some rival Soviet Cosmonaut. However, on checking, there was no Gorsky in either the Russian or American space programs. Over the years many people questioned Armstrong as to what the statement meant, but Armstrong always just smiled.

On July 5, 1995 (in Tampa Bay FL) while answering questions following a speech, a reporter brought up the 26 year old question to Armstrong. This time, he finally responded. Mr. Gorsky had finally died and so Neil Armstrong felt he could answer.

When he was a kid, he was playing baseball with a friend in the backyard. His friend hit a fly ball that landed in front of his neighbor's bedroom windows. His neighbors were the Gorskys. As he leaned down to pick up the ball, young Armstrong heard Mrs. Gorsky shouting at Mr. Gorsky, "Oral sex! You want oral sex? You'll get oral sex when the kid next door walks on the moon!"

True story.

A man was working on his motorcycle on his patio and his wife was in the kitchen. The man was racing the engine on the motorcycle and somehow, the motorcycle slipped into gear. The man, still holding the handlebars, was dragged through a glass patio door and the motorcycle dumped onto the floor inside the house. The wife, hearing the crash, ran into the

dining room, and found her husband lying on the floor, cut and bleeding, the motorcycle lying next to him and the patio door shattered. The wife ran to the phone and summoned an ambulance. Because they lived on a fairly large hill, the wife went down the several flights of long steps to the street to direct the paramedics to her husband.

After the ambulance arrived and transported the husband to the hospital, the wife up-righted the motorcycle and pushed it outside. Seeing that gas had spilled on the floor, the wife obtained some papers towels, blotted up the gasoline, and threw the towels in the toilet. The husband was treated at the hospital and was released to come home. After arriving home, he looked at the shattered patio door and the damage done to his motorcycle. He became despondent, went into the bathroom, sat on the toilet and smoked a cigarette. After finishing it, he flipped it between his legs into the toilet bowl while still seated.

The wife, in the kitchen, heard the explosion and her husband screaming. She ran into the bathroom and found her husband lying on the floor. His trousers had been blown away and he was suffering burns on the buttocks, the back of his legs and his groin. The wife again ran to the phone and called for an ambulance. The same ambulance crew was dispatched and the wife met them at the street.

The paramedics loaded the husband on the stretcher and began carrying him to the street. While they were going down the stairs to the street accompanied by the wife, one of the paramedics asked the wife how he had burned himself.

She told them, and the paramedics started laughing so hard, one of them tipped the stretcher and dumped the husband out. He fell down the remaining steps and broke his ankle.

A guy is standing on the corner and sees a procession with 2 hearses, a dog, a man in a black suit and about 200 people - one behind the other. The guy asks the man in the black suit: what's going on?

My wife died - that's her in the first hearse.

That's too bad, what happened?

The dog bit her and she died.

That dog?

Yeah.

That's too bad. Who's in the second hearse?

My mother-in-law.

Boy, that's terrible - you're burying 2 people. What happened?

The dog bit her and she died.

That same dog?

Yeah.

The guy begins to think - Say, do you think I could borrow that dog?

Yeah, just get in line!

A man walks into the street and manages to get a taxi just going by. He gets in and the cabbie says, "Perfect timing. You're just like Dave."

"Who?"

"Dave Bronson. There's a guy who did everything right. Like my coming along when you needed a cab! It would have happened like that to Dave."

"There are always a few clouds over everybody."

"Not Dave. He was a terrific athlete. He could have gone on the pro tour in tennis. He could golf with the pros. He sang like an opera baritone and danced like a Broadway star."

"He was something, huh?"

"He had a memory like a trap. Could remember everybody's birthday."

He knew all about wine, which fork to eat with. He could fix anything. Not like me. I change a fuse, I black out the whole neighborhood."

"No wonder you remember him."

"You would, too, if you were married to his widow."

Before marriage, a man yearns for the woman he loves. After marriage, the "y" becomes silent.

A husband said to his wife, "No, I don't hate your relatives. In fact, I like your mother-in-law better than mine."

Ralph was driving home one evening when he suddenly remembers that it's his daughter's birthday and he hasn't got a present. He drives to the mall, runs to the toy store and says to the shop assistant, "How much is that Barbie in the window?"

In a condescending manner, she says: "Which Barbie? We have Barbie Goes to the Gym, Barbie Goes to the Ball, Barbie Goes Shopping, Barbie Goes to the Beach, and Barbie Goes Nightclubbing - all for \$19.95; plus Divorced Barbie for \$265.00."

Ralph asks, "Why's that one \$265.00 when the others are \$19.95?"

"That's obvious. Divorced Barbie comes with Ken's house, Ken's car, Ken's boat and Ken's furniture."

A fellow bought a new Mercedes and was out on the interstate for a nice evening drive. The top was down, the breeze was blowing through what was left of his hair and he decided to open her up. As the needle jumped up to 80 mph he suddenly saw a flashing red and blue light behind him.

"There's no way they can catch a Mercedes," he thought to himself and opened her up further. The needle hit 90, 100 ... Then the reality of the situation hit him. "What am I doing," he thought, and pulled over.

The cop came up to him, took his license without a word, and examined it and the car. "I've had a tough shift and this is my last pull-over. I don't feel like more paperwork, so if you've got an excuse I haven't heard before, you can go!" he said.

"Last week my wife ran off with a cop, and I was afraid you were trying to give her back!"

"Off you go," said the officer.

### **DATING THE DAUGHTER (OR GRAND DAUGHTER)**

When I was in high school I used to be terrified of my girlfriend's father, who, I believe, suspected me of wanting to place my hands on his daughter's chest. He'd open the front door and immediately display a good-natured murderous expression, holding out a handshake that felt like it could squeeze carbon into diamonds.

Now, years later, it's my turn to be the dad. Remembering how unfairly persecuted I felt when I'd pick up my dates, I do my best to make my daughter's suitors feel even worse. My motto: wilt them in the living room and they'll stay wilted all night.

"So," I'll call out jovially. "I see you have your nose pierced. Is that because you're stupid, or did you merely want to APPEAR stupid?"

As a dad, I have some basic rules, which I have carved into two stone tablets that I have on display in my living room.

Rule One: If you pull into my driveway and honk you'd better be delivering a package, because you're sure as heck not picking anything up.

Rule Two: You do not touch my daughter in front of me. You may glance at her, so long as you do not peer at anything below her neck. If you cannot keep your eyes or hands off of my daughter's body, I will remove your hands from your body.

Rule Three: I am aware that it is considered fashionable for boys of your age to wear their trousers so loosely they appear to be falling off their hips. Please don't take this an insult, but you and all your friends are complete idiots. Still, I want to be fair and open-minded about this issue, so I propose this compromise: You may come to the door with your underwear showing and your pants ten sizes too big, and I will not object. However, in order to assure that your clothes do not, in fact, come off during the course of your date with my daughter, I will take my electric staple gun and fasten your trousers securely in place around your waist.

Rule Four: I'm sure you've been told that in today's world, sex without utilizing a "barrier method" of some kind can kill you. Let me elaborate: when it comes to sex, I am the barrier, and I WILL kill you.

Rule Five: In order for us to get to know each other, we should talk about sports, politics, and other issues of the day. Please do not do this. The only information I require from you is an indication of when you expect to have my daughter safely back at my house, and the only word I need from you on this subject is "early."

Rule Six: I have no doubt you're a popular fellow, with many opportunities to date other girls. This is fine with me as long as it's okay with my daughter. Otherwise, once you have gone out with my little girl, you will continue to date no one but her until she is finished with you. If you make her cry, I will make YOU cry.

Rule Seven: As you stand in my front hallway, waiting for my daughter to appear, and more than an hour goes by, do not sigh and fidget. If you want to be on time for the movie, you should not be dating. My daughter is putting on her makeup, a process that can take longer than painting the Golden Gate Bridge. Instead of just standing there, do something useful - like change the oil in my car.

Rule Eight: The following places are not appropriate for a date with my daughter: Places where there are beds, sofas, or anything softer than a wooden stool. Places where there are no parents, policemen, or nuns within eyesight. Places where there is darkness! Places where there is dancing, holding hands, or happiness! Places where the ambient temperature is warm enough to induce my daughter to wear shorts, tank tops, midriff T-shirts, or anything other than overalls, a sweater, and a goose down parka zipped up to her Adam's apple. Movies with a strong romantic or sexual theme are to be avoided; movies that feature chain saws are okay! Hockey games are okay. My daughter claims it embarrasses her to come downstairs and find me attempting to get her date to recite these eight simple rules from memory. I'd be embarrassed too -- there are only eight of them, for crying out loud! And, for the record, I did NOT suggest to one of these cretins that I'd have these rules tattooed on his arm if he couldn't remember them. (I checked into it and the cost is prohibitive) I merely told him that I thought writing the rules on his arm with a ballpoint might be inadequate - ink washes off - and that my wood burning set was probably a better alternative. One time, when my wife caught me having one

of my daughter's would-be suitors practice pulling into the driveway, get out of the car, and go up to knock on the front door (he had violated rule number one, so I figured he needed to run through the drill a few dozen times) - she asked me why I was being so hard on the boy. "Don't you remember being that age?" she challenged. "Of course I remember. Why do you think I came up with these eight simple rules?"

Mr. Perkins, the biology instructor at a posh suburban girl's junior college, said during class, "Miss Smythe, would you please name the organ of the human body, which under the appropriate conditions, expands to six times its normal size, and define the conditions."

Miss Smythe gasped, then said freezingly, "Mr. Perkins, I don't think that is a proper question to ask me. I assure you my parents will hear of this." With that she sat down red-faced.

Unperturbed, Mr. Perkins called on Miss Johnson and asked the same question. Miss Johnson, with composure, replied, "The pupil of the eye, in dim light."

"Correct," said Mr. Perkins. "And now, Miss Smythe, I have three things to say to you. One, you have not studied your lesson. Two, you have a dirty mind. And three, you will some day be faced with a dreadful disappointment."

### ADVICE FOR MEN

IT IS SATURDAY, a crisp fall afternoon, and you're exactly where you should be: stretched out on the couch in front of a televised sporting event, beer number two, relaxed in the knowledge that the pizza you ordered is even now on its way. Nothing could improve this moment, except maybe a bigger television. Suddenly your wife/SO (Significant Other) enters the room and says, "What exactly do you think you're doing?"

Is this a trick question?

Yes, it is. The trick is that no matter how you answer it, you will immediately find yourself driving down to your nearest Home Depot where you will spend the rest of the afternoon trying to decide the type of curtain rod that's right for you.

How does this work? It has as much to do with the nature of the question itself as with anything else. Women are expert at posing questions that seem to have no right answer. Here's a common example:

"DO I LOOK FAT?"

There is no answer to this question that won't be interpreted as "yes". "No" means yes. "Yes" means yes. "I don't know" means yes. "It doesn't matter" means yes. The briefest hint of a pause before speaking means yes, yes, yes. Most of us would rather take our degrees again than field this one, yet it may well come up several times a week. Your only real choice is to say no, clearly and immediately, leaving no possibility for any subtext, and making it sound like a widely acknowledged fact and not simply your opinion. This doesn't work, but all the other options are worse.

There are several other questions for which "no" is the only answer, and several more that call for an emphatic and unqualified yes. In all of these cases, elaboration, justification or any attempt to be funny is unlikely to pay off.

*Consult this handy chart:*

JUST SAY NO:

Is there someone else? Do you still fantasize about her? Are you tired of me?

JUST SAY YES:

Do you still love me? Do you ever fantasize about me? Do you like my hair this way?

Unfortunately, many female inquiries require more than a simple yes or no response. Some of them are more like riddles. Such as this one: "WHICH SHOES LOOK BETTER?"

Typically you're already late for dinner when your wife SO confronts you, with one pair of shoes on and another alongside them. This is no ordinary choice. It's a devious chicken/egg puzzler, the sort of choice that would lead even Hobson to say to Mrs. Hobson, "Whichever, you old trout!" If you pick the shoes she already has on, she'll think you're trying to hurry her. If you pick the other pair, she'll think it's because you know you can't pick the ones she has on. Some men try a non-linear approach and opt for a third, un-offered pair of shoes, but this is inevitably taken as either an attack on her judgment or an opportunity for her to attack yours. On no account suggest another dress. You might as well say, "You're fat."

This raises the question of why she's asking you at all. She knows you don't know which shoes look better, and she knows you don't care, so why is she trying to elicit your opinion? This is part of an ongoing campaign to domesticate you. As part of the same campaign, she will occasionally consult you about alternative table settings or new towels. In these two cases a disdainful and dismissive "beats me" should do the trick, but don't try that with the shoe dilemma, or you'll miss your reservation. Instead, suggest that she try on the other shoes, then tell her the first ones look better. This lets you more or less off the hook, as long as you don't raise a fuss when she decides that the second pair are better after all.

"WHERE DO YOU SEE THIS RELATIONSHIP GOING?" This could be described as an essay question, since you're obviously not going to get away with snappy little answers such as "forward" or "upstairs" or "I dunno". Another problem is that you and your wife/SO are operating at cross- purposes here. She wants a heartfelt expression of your feelings and an honest assessment of your future together, and you want an easier question. There is certainly no point in answering a toe-curling query like this one without at least a rough idea of precisely what it is she wants to hear. Questions such as this one are a category unto themselves, i.e., questions that should be answered with another question. See how easily some of the more difficult leading inquiries can be parried through the simple deployment of reflexive interrogation:

HER: Where do you see this relationship going?

YOU: Where do you see this relationship going?

HER: Do you think she's attractive?

YOU: Who?

HER: Will you marry me?

YOU: Where am I?

HER: What if I were pregnant?

YOU: Are you pregnant?

HER: Why? Do I look fat?

Whoops! We're in a bit of trouble here. You should have seen that one coming. Try a more surreal approach:

HER: What if I were pregnant?

YOU: What if I were pregnant?

At the very least it gives you time to think up a better answer. Some all-purpose question-answers include: How much is a lot? Why do you ask? Should I be? What are you saying? Does it matter? What's love gotta do with it? Are you talking to me? (Note: Are you having your period? is not one of these)

Let's try something easier.

NOTICE ANYTHING DIFFERENT ABOUT ME?"

Well, slightly easier. This question is of a piece with two others: "Have you forgotten what today is?" and "Have you been listening to a word I've said?" Apart from being questions that are easier to answer wrong than right, they're the kinds of things women say in sitcoms. They are best treated in an ironic post-modern context; i.e. just say what Ward Cleaver would say.

HER: Notice anything different about me?

YOU: New apron?

HER: Have you forgotten what today is?

YOU: Of course not. It's Thursday.

HER: Have you been listening to a word I've said?

YOU: That's nice, dear...

Funny, huh? Well, it's not your fault if she doesn't get it. If she wants a better answer, she's going to have to start asking better questions. Questions such as:

HAVE YOU TAKEN A LOOK AT YOURSELF LATELY?"

This question and its cousin, the almost always uncalled for "Who do you think you are?", are ways of gently reminding you how much of a factor pity was in her original decision to go out with you, and how that decision could be rescinded if you behave in any way that cannot be described as abject. You probably brought this rebuke on yourself by mentioning that you reckon Brad Pitt is getting a little chubby or something like that. You're not really supposed to answer either of these questions. You're just supposed to apologize for your wanton self-esteem-having.

Instead of apologizing, just smile. Your manifold inadequacies as a boyfriend - nay, as a man - are a kind of revenge all by themselves.

Next!

DO YOU BELIEVE IN FIDELITY?"

Like most philosophical questions that seem to pop up out of the blue, this one doesn't pop up out of the blue. This general query about fidelity is in fact a coded inquiry about the extent of your fidelity on a specific occasion or occasions. Your response will also have to be coded. Consult this translation chart before giving your answer:

YOU SAY - Yes.

YOU MEAN - How much does she know?

SHE THINKS - He's hiding something.

YOU SAY - It depends.

YOU MEAN - How much does she know?

SHE THINKS - I knew it!

YOU SAY - Why do you ask?

YOU MEAN - How much does she know?

SHE THINKS - Bastard!

YOU SAY - I dunno. Do you?

YOU MEAN - How much does she know?

SHE THINKS - How much does he know?

There are several more variations, but they're not worth going into. By the time she asks you this question, you're already in deep trouble. It doesn't really matter what you say, as long as you don't blush when you answer.

Let's look at an example that calls for more straightforward lying.

WHAT ARE YOU LOOKING AT?"

She means, "You were looking at that girl, weren't you?" And you thought you'd perfected that trick of keeping your neck still and just letting your eyes swivel. Obviously, the truth is not the best answer here. We all know that the truth can set you free, sometimes before you've found somewhere else to stay. It may seem easy enough to answer this question with a cunning lie, but when men are caught off guard, their ability to deceive is impaired. Here are a few of the more common mistakes men make when asked: "What are you looking at?"

TOO SPECIFIC: "The rust around the bolts on the handle on the flap of that mailbox on the northwest corner."

NOT SPECIFIC ENOUGH: "That thing."

TOO GOOD TO BE TRUE: "A diamond necklace in that window back there that would be perfect on you."

TOO TRUE TO BE GOOD: "A see-through nightie in that window back there that would be perfect on you."

TOO OBVIOUS: "Nothing."

WAY TOO OBVIOUS: "That blonde babe over there with the big... I mean... nothing."

Here's one that requires a little interpretation.

"WHAT ARE WE GOING TO DO NOW?"

This one often crops up whenever some kind of emergency or seemingly unsolvable problem arises. The part that requires interpretation is the mysterious "we" in the middle. This means two things: in one sense, "we" clearly means "you" - as in, "What are you going to do now"; but there is also a sense of "we're in this together" implying that you bear equal responsibility for the fact that she's just dropped her keys down a grate, or that she stores her jack and spare tire in her garage so they won't get stolen.

In such situations you'll probably find that the only answer to "What are we going to do now?" that you can think of is "We are going to break up. Good-bye." Most likely you'll decide not to say anything. After which she will probably let loose with the rather ill-advised:

"WHY DON'T YOU SAY SOMETHING?"

Whether you answer this one is up to you. There is only one question that you should never, ever answer. Keep silent, cower behind your Fifth Amendment rights, pretend you didn't hear, run away, whatever, but don't say anything when she asks: "SHOULD I GET ALL OF MY HAIR CUT OFF?"

If you say anything, then when she does get all her hair cut off (and let's face it, she's already made up her mind) and she hates it (and she will hate it), it will be your fault. Even if you say absolutely nothing, the best you can hope for is that she will come home with all her hair cut off, stare you straight in the eye and say:

"DOES IT MAKE ME LOOK FAT?"

You're on your own!

A fellow was reading the paper one day lamenting the fact that his doctor had ordered him to lose 75 pounds. He noticed an advertisement for a guaranteed weight loss program. "Hell, it's worth a try," he thinks to himself. He gives them a call and subscribes to the 3 day, 10 pound weight loss program.

The next day there is a knock at his door, and when he opens it, there is a voluptuous, athletic 19-year-old babe dressed in nothing but a pair of Nikes and a sign hanging around her neck. She introduces herself as a representative of the weight loss company. Her sign reads, "If you can catch me, you can have me." Without a second thought, he takes off after her. A few miles later, huffing and puffing, he finally catches her and has his way with her. After they are through, he kisses the girl one last time and thinks, "I like the way this company does business." The next 2 days, the same girl shows up and the same thing happens each time. On the fourth day, he weighs himself and, sure enough, he has lost 10 pounds.

Since he still has more weight to lose, and greatly enjoys the method of treatment, he calls the company back and subscribes to their 5 day, 20 pound weight loss program. He thinks that losing 20 pounds in only 5 days seems like a lot, but he is intrigued by what their workout schedule might be like this time.

As expected, the next day someone knocks on his door. When he answers it there stands a 22-year-old knockout dressed in nothing but a pair of Reeboks and a sign hanging around her neck. She is simply stunning, the most beautiful woman he has ever seen. She introduces herself as a representative of the weight loss company. Her sign also reads, "If you can catch me, you can have me." He's out the door like a shot. This gal is in excellent shape and it takes a while to catch her. But when he does, it is worth every cramp and wheeze. She is wonderful, the best he has ever had.

For the next four days, the same girl shows up and the same thing happens each time, much to his delight. On the sixth day, he weighs himself and, unbelievably, he has lost another 20 pounds. "I love this company," he thinks to himself. "I never knew losing weight could be so much fun."

Feeling much better about himself, he decides to go for broke and subscribe to the company's 7 day, 50 pound weight loss program. "Are you sure, sir?" asks the representative on the phone. "This is our most rigorous program. "Absolutely," says he, "I love your program. I haven't felt this good in years!"

The next day there is a knock at his door and he enthusiastically answers it to Richard Simmons, wearing little more than pink racing spikes and a sign around his neck that reads: "If I catch you, I can have you!"

A doctor started having an affair with his nurse. Shortly after this started, she announced that she had become pregnant. Not wanting his wife to find out, he gave her a large amount of money and asked her to go out of the country, to Germany, there to wait out the pregnancy and have the baby.

"But, how will you know when our baby is born?" she asked.

"Well," he said, "after you've had the baby, just send me a postcard and write 'sauerkraut' on the back."

Not knowing what else to do, she took the money and went off to Germany.

Six months went by and then one day, the doctor's wife called him at his office. "Dear, you received a very strange postcard in the mail today," she explained, "I don't understand what it means!"

"Just wait until I get home and I'll read it," he replied.

Later that evening, the doctor came home and read his postcard, which said, "*Sauerkraut, Sauerkraut, Sauerkraut: Two with wieners, One without!*"

A man with a winking problem is applying for a position as a sales representative for a large firm. The interviewer looks over his papers and says, "This is phenomenal. You've graduated from the best schools; your recommendations are wonderful, and your experience is unparalleled. Normally, we'd hire you without a second thought. However, a sales representative has a highly visible position, and we're afraid that your constant winking will scare off potential customers. I'm sorry ... we can't hire you."

"But wait," he said. "If I take two aspirin, I'll stop winking!"

"Really? Great! Show me!"

So the applicant reaches into his jacket pocket and begins pulling out all sorts of condoms: red condoms, blue condoms, ribbed condoms, flavored condoms; finally, at the bottom, he finds a packet of aspirin. He tears it open, swallows the pills, and stops winking.

"Well," said the interviewer, "that's all well and good, but this is a respectable company, and we will not have our employees womanizing all over the country!"

"Womanizing? What do you mean? I'm a happily married man!"

"Well then, how do you explain all these condoms?"

"Oh, that," he sighed. "Have you ever walked into a pharmacy, winking, and asked for aspirin?"

### BUYING A BRA

A man goes into the woman's section of a dept store to buy a bra for his wife.

"What type of bra?" asks the clerk.

"Type?" inquires the man "There's more than one type?"

"There are 3 types," replies the clerk. "The Catholic, Salvation Army and Baptist. Which one do you need?"

Still confused the man asks: "What's the difference in them?"

The clerk: "The Catholic type supports the masses; the Salvation Army type lifts up the fallen, and the Baptist type makes mountains out of mole hills."

\* \* \*

Anglican Synod response: An Anglican woman doesn't need a bra. She's too liberal to wear one, and too determined to be constrained; however, we have a sub-committee to investigate the integrity of concealing such things under every day apparel, with special considerations given to the ethical implications of failing to disclose the gifts of God and making them available to all believers.

\* \* \*

Another man, trying to buy a bra for his wife, cannot remember her size. But suddenly he says: "Oh yes! It's 6 and 7/8."

The clerk says: "They don't come that way, sir."

He says: "I'm sure that's right. My hat fits right over her breast."

A man dies and finds himself in hell. Wallowing in despair, he meets a demon:

Why so glum, chum?

What do you think? I'm in hell.

Hell's not so bad. We actually have a lot of fun down here. You a drinkin' man?

Sure, I love to drink.

Well, you're gonna love Mondays then. On Mondays, that's all we do is drink.

Whiskey, tequila, Guinness, wine coolers, diet Coke ... we drink till we throw up and then we drink some more.

Gee, that sounds great.

You a smoker?

You better believe it.

All right! You're gonna love Tuesdays. We get the finest cigars from around the world and smoke our friggin' lungs out. If you get cancer, it's okay ... you're already dead! And I bet you like to gamble.

As a matter of fact I do. Good, because Wednesday is gambling day. Craps, blackjack, horse races, you name it. We even opened up a pai gow poker table.

Gosh, I never played pai gow before...

Well now you can. You like to do drugs?

Love to do drugs. You don't mean...

That's right! Thursday is drug day. Help yourself to a great big bowl of crack. Smoke a doobie the size of a submarine. You can do all the drugs you want, and if you overdose, it's okay ... you're already dead!

Neat! I never realized that hell was such a swingin' place!

You gay?

Uh, no!

Oooh. You're gonna hate Fridays!

God looks over the millions of people and says: "Welcome to Heaven. I want all the women to go off with Saint Peter, and the men to form 2 lines. Make 1 line of the men that dominated their women on earth, and the other line of men who were dominated by their women."

There's much movement, but eventually the women are gone and there are 2 lines left. The line of the men that were dominated is 1000 miles long. The line of men that dominated women has only 1 man. God gets angry and in a terrifying voice says, "You men should be ashamed of yourselves. I created you in my image, and you were all dominated by your mates. Look here is the only 1 that stood up and made me proud. Learn from him!"

He turns to the man and says, "Tell them, my son. How did you manage to be the only 1 in that line?"

The man says, "I don't know, my wife told me to stand here."

"Sir," said the timid employee to his boss, "my wife says to ask you for a raise."

"Fine," the boss replied. "I'll ask my wife if I can give you one."

A married couple was enjoying a dinner out when a statuesque blonde walked over to their table, exchanged warm greetings with the husband and walked off.

"Who was that?" the wife demanded.

"If you must know," he coolly replied, "That was my mistress."

"Your mistress? I want a divorce!"

"Are you sure you want to give up a big house in the suburbs, a Mercedes, furs, jewelry and a vacation home in Mexico?" They continued dining in silence.

Finally, the woman nudged her husband and said, "Isn't that Howard over there? Who's he with?"

"That's his mistress," her husband replied.

"Oh," she said, taking a bite of dessert, "Ours is cuter."

An Irishman named Murphy went to his doctor after a long illness. The doctor, after a lengthy examination, sighed and looked Murphy in the eye and said, "I've some bad news for you. You have cancer and it can't be cured. I'd give you 2 weeks to a month."

Murphy shocked and saddened by the news, but of solid character, managed to compose himself and walk from the doctor's office into the waiting room. There he saw his son who had been waiting for him. Murphy said, "Son, we Irish celebrate when things are good and celebrate when things don't go so well. In this case, things aren't so well. I have cancer and I've been given a short time to live. Let's head for the pub and have a few pints.

After three or four pints the two were feeling a little less somber. There were some laughs and more beers. They were eventually approached by some of Murphy's old friends, who asked what the two were celebrating.

Murphy told them that the Irish celebrate the good and the bad. He went on to tell them that they were drinking to his impending end. He told his friends "I've only got a few weeks to live as I have been diagnosed with AIDS." The friends gave Murphy their condolences and they had a couple more beers.

After his friends left, Murphy's son leaned over and whispered his confusion. "Dad I thought you said that you were dying from cancer? You just told your friends that you were dying from AIDS?"

Murphy said, "I *am* dying from cancer son, I just don't want the likes of any of them sleeping with your mother after I'm gone."

A young couple was invited to a swanky masked Halloween party. The wife came down with a terrible headache and told her husband to go to the party and have a good time. Being the devoted husband, he protested, but she argued and said she was going to take some aspirin and go to bed. She told him there was no need for him to miss the fun. So he took his costume and away he went.

The wife, after sleeping soundly for one hour, awakened without pain, and as it was still early, she decided to go to the party. Because hubby did not know what her costume was, she thought she would have some kicks watching her husband to see how he acted when she was not around. She joined the party and soon spotted her husband cavorting around on the dance floor, dancing with every nice chick he could, copping a feel here and taking a little kiss there. His wife sidled up to him and being rather seductive herself, enticed him to leave his partner high and dry and devote his time to the new "action." She let him go as far as he wished, naturally, since he was her husband. Finally he whispered a little proposition in her ear and she agreed so off they went to one of the cars and had a little bang. Just before unmasking at midnight, she slipped out, went home and put the costume away and got into bed, wondering what kind of explanation he would have for his notorious behavior.

She was sitting up reading when he came in, and she asked him what he had done. He said, "Oh, the same old thing. You know I never have a good time when you're not there." Then she asked, "Did you dance much?" He replied, "I'll tell you, I never even danced one dance. When I got to the party, I met Pete, Bill and some other guys, so we went into the den and played poker all evening. But I'll tell you... the guy that I loaned my costume to sure had one helluva time!"

A 54 year old accountant leaves a letter for his wife one Friday evening that reads: "Dear Wife, I am 54 and by the time you receive this letter I will be at the Grand Hotel with my beautiful and sexy 18-year-old secretary."

When he arrived at the hotel there was a letter waiting for him that read as follows: "Dear Husband, I too am 54 and by the time you receive this letter I will be at the Breakwater Hotel with my handsome and virile 18 year old toy-boy. You being an accountant will appreciate that 18 goes into 54 many more times than 54 goes into 18."

A college professor was wrapping up class and started talking about tomorrow's final exam. He said there would be no excuses for not showing up tomorrow, barring a dire medical condition or an immediate family member's death.

One smart-aleck male student said, "What about extreme sexual exhaustion?" and the whole classroom burst into laughter.

After the laughter had subsided, the teacher glared at the student, and said, "Not an excuse! You can use your other hand to write."

A lady about seven months pregnant got on a bus. She noticed the man opposite her was smiling at her. She immediately moved to another seat. This time the smile turned into a grin, so she moved again. The man seemed more amused. When on the fourth move, the man burst out laughing. She complained to the driver and had the man arrested. The case came up in court and the judge asked the man what he had to say for himself.

The man replied, "Well your Honor, when the lady got on the bus, I couldn't help but notice her condition. She sat under a sign that said, "The Gold Dust Twins are coming" and I had to smile. Then she moved under a sign that said, "Sloan's Liniment will reduce the swelling" and I had to grin. Then she placed herself under a sign that said, "William's Big Stick Did the Trick" and I could hardly control myself.

BUT... when she moved the fourth time and sat under a sign that said, "Goodyear Rubber could have prevented this accident." I laughed out loud.

"Case Dismissed" said the Judge.

Jack went to a urologist and told him he was having a problem. "Well, doctor. I am having trouble gaining and keeping an erection, but I never had any trouble before I got very sick a while ago." After a complete exam the doctor determined that the muscles around the base of his manhood were damaged from a prior viral infection and there was little or nothing he could do for him.

However, he knew of an experimental treatment that might be applicable, if Jack were willing to take the risk. The treatment consisted of implanting muscle tissue from an elephant's trunk to replace the damaged tissue.

Jack thought about it. He was a young man and the thought of going through life without ever experiencing sex again was just too much to bear. So, with the assurance there would be no adverse effect on the elephant, Jack decided to go for it.

A few weeks after the operation, Jack was given the green light to use his newly renovated equipment. As a result, he planned a romantic evening with his young wife and took her to one of the nicest restaurants in the city. However, in the middle of dinner he felt a stirring between his legs that continued to the point of being extremely painful. To release the pressure, Jack unzipped his fly and immediately his equipment sprung from his pants, rose to the top of the table, grabbed a roll, and then returned to his pants.

His wife was stunned at first, but then with a sly smile on her face said, "Jack, that was incredible. Can you do that again?"

Jack, with his eyes watering, replied, "I think I can, but I'm not sure I can fit another roll up my rear end."

A man and a beautiful woman were having dinner in a fine restaurant. Their waitress, taking another order at a table a few paces away suddenly noticed that the man was slowing sliding down his chair and under the table, but the woman acted unconcerned. The waitress watched as the man slid all the way down his chair and out of sight under the table. Still, the woman dining across from him appeared calm and unruffled, apparently unaware her companion had disappeared.

After the waitress finished taking the order, she came over to the table and said to the woman, "Pardon me, ma'am, but I think your husband just slid under the table."

The woman calmly looked up at her and replied firmly, "No he didn't. He just walked in the door."

After being with his blind date all evening, the man couldn't take another minute with her. Earlier, he had secretly arranged to have a friend call him to the phone so he would have an excuse to leave if something like this happened.

When he returned to the table, he lowered his eyes, put on a grim expression and said, "I have some bad news. My grandfather just died."

"Thank heavens," his date replied. "If yours hadn't, mine would have had to!"

Two men were having an awfully slow round of golf because the two ladies in front of them managed to get into every sand trap, lake, and rough on the course. They didn't bother to wave the men on through, which is proper golf etiquette.

After two hours of waiting and waiting, one man said, "I think I'll walk up there and ask them to let us play through." He walked out the fairway, got halfway to the ladies, stopped, turned around, and came back, explaining, "I can't do it. One of those women is my wife and the other is my mistress! Maybe you'd better go talk to them."

The second man walked toward the ladies, got halfway there and, just as his partner had done, stopped, turned around and walked back and said: "Small world."

A 75-year old man went to his doctor's office to get a sperm count. The doctor gave the man a jar and said, "Take this jar home and bring me back a sample tomorrow."

The next day, the 75-year old man reappears at the doctor's office and gives him the jar, which is as clean and empty as on the previous day. The doctor asks what happened, and the man explains, "Well, doc, it's like this. First I tried with my right hand. Then I tried with my left hand. Then I asked my wife for help. She tried with her right hand. Then her left! She even tried with her mouth, first with the teeth in, then with the teeth out, and still nothing. Hell, we even called up the lady next door, and she tried with both hands and her mouth too, but nothing."

The doctor was shocked, "You asked your NEIGHBOR?"

The old man sad, "Yep, but no matter what, we couldn't open the damn jar!"

This guy's wife asks, "Honey, if I died, would you remarry?" "Well," says the guy, "we all need companionship, so I suppose someday I would."

"Hmm," says the wife. "Well, would she live in this house?"

"We've spent a lot of time and money getting this house just the way we want it," says the guy, "so I guess she would."

"Would she sleep in our bed?"

"Well, it seems a shame to waste a perfectly good bed," says the guy, "so I guess she would."

"Would she use my golf clubs?"

"Of course not," says the guy. "She's a lefty."

Three guys are drinking in a bar when a drunk comes in, staggers up to them, and points at the guy in the middle, shouting, "Your mom's the best lay in town!"

Everyone expects a fight, but the guy ignores him, and the drunk wanders off and bellies up to the bar at the far end. Ten minutes later, the drunk comes back, points at the same guy, and says, "I just screwed your mom, and it was swe-e-et!"

Again the guy refuses to take the bait, and the drunk wanders off. Ten minutes later, he comes back and announces, "Your mom even let me." Finally the guy interrupts. "Go home, Dad, you're drunk!"

Saturday morning ... Bob's just about to set off on a round of golf when he realizes that he forgot to tell his wife that the guy who fixes the washing machine is coming around at noon. So Bob heads back to the clubhouse and phones home.

"Hello?" says a little girl's voice.

"Hi, honey, it's Daddy," says Bob. "Is Mummy near the phone?"

"No, Daddy. She's upstairs in the bedroom with uncle Frank."

After a brief pause, Bob says, "but you haven't got an Uncle Frank, honey!"

"Yes I do, and he's upstairs in the bedroom with Mummy!"

"Okay, then, here's what I want you do. Put down the phone, run upstairs and knock on the bedroom door and shout in to Mummy and uncle Frank that daddy's car has just pulled up outside the house."

"Okay, Daddy!" A few minutes later, the little girl comes back to the phone.

"Well, I did what you said, Daddy."

"And what happened?"

"Well, Mummy jumped out of bed with no clothes on and ran around screaming, then she tripped over the rug and fell out the front window and now she's all dead." "Oh my god... And what about uncle Frank?"

"He jumped out of bed with no clothes on too and he was all scared and he jumped out the back window into the swimming pool, but he must have forgotten that last week you took out all the water to clean it, so he hit the bottom of the swimming pool and now he's all dead too."

There is a long pause - then Bob says, "Swimming pool? Is this 854-7039?"

Within two weeks of moving into a new house, the homeowner had to call in an electrician, a roofer, a plasterer and a carpenter.

One afternoon he returned early from work and saw a plumber's truck in the driveway. "Lord," he pleaded, looking skyward, "please let her be having an affair."

There are several men in the locker room of a private club after golf. Suddenly, a cell phone, that was on one of the benches, rings. A man picks it up and the following conversation ensues:

"Hello?"

"Honey, It's me."

"Sugar."

"Are you at the club?"

"Yes."

"Great! I am at the mall 2 blocks from where you are. I saw a beautiful mink coat... It is absolutely gorgeous!! Can I buy it?"

"What's the price?"

"Only \$1,500.00"

"Well, okay. Go ahead and get it, if you like it that much."

"And I also stopped by the Mercedes dealership and saw the 2001 models. I saw one I really liked. I spoke with the salesman and he gave me a really good price ... and since we need to exchange the BMW that we bought last year..."

"What price did he quote you?"

"Only \$60,000..."

"Okay, but at that price I want all the options."

"Great! Before we hang up, something else..."

"What?"

"It might look like a lot, but I was reconciling your bank account and I stopped by

the real estate agent this morning and I saw the house we had looked at last year. It's on sale!! Remember? The one with a pool, English Garden, acre of park area, beachfront property..."

"How much are they asking now?"

"Only \$450,000 - a magnificent price, and I see that we have more than enough in the bank to cover it..."

"Well, go ahead and buy it then, but just bid \$420,000 - okay?"

"OK, sweetie. Thanks! I'll see you later! I love you!!!"

"Bye, I do you too..."

The man hangs up, closes the phone flap and raises his hand while holding the phone and asks to all those present: "Does anyone know who this phone belongs to?"

A couple's been married forty years and revisit the same places they went to on their honeymoon. As they are driving through the secluded countryside, they pass a ranch with a tall deer fence running along the road. The wife says, "Sweetheart, let's do the same thing we did here forty years ago!"

The husband stops the car. His wife backs against the fence, and they immediately make love like never before. She was SCREAMING and GYRATING and SHAKING uncontrollably; and when it was over, much to her husband's surprise, she FAINTS! After he revived her and got her back into the car, the husband, quite astounded says: "Darlin', you sure never moved like that 40 year ago - or ANYTIME SINCE that I can remember."

The woman, gasping for breath, finally able to speak, says: "FORTY YEARS AGO THAT DARN FENCE WASN'T ELECTRIFIED!"

Her husband had been slipping in and out of a coma for several months, yet she stayed by his bedside every single day. When he came to and saw her, he motioned for her to come nearer.

"What is it, dear?" she asked as she sat down by him.

He replied, "I was just thinking about how you have been with me all through the bad times... When I got fired, you were there. When my business failed, you were there. When I got shot, you were at my side. When we lost the house, you stayed with me. When my health started failing, you were still by my side ... and do you know what?"

"What dear?" she smiled and asked gently.

"I think you bring me bad luck."

A married couple went to the hospital to have their baby delivered. Upon their arrival, the doctor said he had invented a new machine that would transfer a portion of the mother's labor pain to the father. He asked if they were willing to try it out. They were both very much in favor of it.

The doctor set the pain transfer to 10% for starters, explaining that even 10% was probably more pain than the father had ever experienced before. But as the labor progressed, the husband felt fine and asked the doctor to go ahead and bump it up a notch. The doctor then adjusted the machine to 20% pain transfer. The husband was still feeling fine.

The doctor checked the husband's blood pressure and was amazed at how well he was doing. At this point they decided to try for 50% the husband continued to feel quite well. Since the pain transfer was obviously helping out the wife considerably, the husband encouraged the doctor to transfer ALL the pain to him.

The wife delivered a healthy baby with virtually no pain. She and her husband were ecstatic. When they got home, their mailman was found dead on their porch.

Did you hear about the man who would stand for hours in front of his bathroom mirror after taking Visine and Viagra at the same time?

His psychiatrist advised him to take a long hard look at himself.

He throws some powder on a flame, and there is a flash with billowing blue smoke. The witch doctor says: "This is powerful healing, but you can only use it once a year! All you have to do is say '1-2-3' and it shall rise for as long as you wish!"

The guy then asks the witch doctor: "What happens when it's over?" The witch doctor says: "All you or your partner has to say is '1-2-3-4' and it will go down. But be warned; it will not work again for a year!"

The guy goes home and that night he is ready to surprise his wife with the good news. So, he is lying in bed with her and says: "1-2-3" and suddenly he gets an erection. His wife turns over and says: "What did you say '1-2-3' for?"

**The following is from a 1950s Home Economics textbook intended for high school girls, teaching How to Prepare for Married Life.**

1. Have dinner ready: Plan ahead, even the night before, to have a delicious meal - on time. This is a way of letting him know that you have been thinking about him, and are concerned about his needs. Most men are hungry when they come home and the prospects of a good meal are part of the warm welcome needed.

2. Prepare yourself: Take 15 minutes to rest so you will be refreshed when he arrives. Touch up your make-up, put a ribbon in your hair and be fresh looking. He has just been with a lot of work-weary people. Be a little gay and a little more interesting. His boring day may need a lift.

3. Clear away the clutter. Make one last trip through the main part of the house just before your husband arrives, gathering up schoolbooks, toys, paper, etc. Then run a dust cloth over the tables. Your husband will feel he has reached a haven of rest and order, and it will give you a lift too.
4. Prepare the children: Take a few minutes to wash the children's hands and faces if they are small, comb their hair, and if necessary, change their clothes. They are little treasures and he would like to see them playing the part.
5. Minimize the noise: At the time of his arrival, eliminate all noise of washer, dryer, dishwasher, or vacuum. Try to encourage the children to be quiet. Be happy to see him. Greet him with a warm smile and be glad to see him.
6. Some DON'TS: Don't greet him with problems or complaints. Don't complain if he's late for dinner. Count this as minor compared with what he might have gone through that day.
7. Make him comfortable: Have him lean back in a comfortable chair or suggest he lie down in the bedroom. Have a cool or warm drink ready for him. Arrange his pillow and offer to take off his shoes. Speak in a low, soft, soothing and pleasant voice. Allow him to relax and unwind.
8. Listen to him: You may have a dozen things to tell him, but the moment of his arrival is not the time. Let him talk first.
9. Make the evening his: Never complain if he does not take you out to dinner or to other places of entertainment; instead try to understand his world of strain and pressure and his need to be home and relax.
10. The Goal: Try to make your home a place of peace and order where your husband can relax.

### **NOW THE UPDATED VERSION FOR THE 90'S WOMAN:**

1. Have dinner ready: Make reservations ahead of time. If your day becomes too hectic just leave him a voice mail message regarding where you'd like to eat and at what time. This lets him know that your day has been crappy and gives him an opportunity to change your mood.
2. Prepare yourself: A quick stop at the Lancome counter on your way home will do wonders for your outlook and will keep you from becoming irritated every time he belches at the table. (Don't forget to use his credit card!)
3. Clear away the clutter: Call the housekeeper and let her know you'll need her for an extra day this week. Tell her that any miscellaneous items left on the floor by the children can be placed in the Goodwill box in the garage.
4. Prepare the children: Drop them off at grandma's!
5. Minimize the noise: When he arrives at home remind him that the washer and garbage disposal are still not working properly and the noise is driving you crazy (but do this in a nice way and greet him with a warm smile ... this way he might fix it faster).

6. Some DON'TS: Don't greet him with problems and complaints. Let him speak first, and then your complaints will get more attention and remain fresh in his mind throughout dinner. Don't complain if he's late for dinner. Simply remind him that the last one home does the cooking and the cleanup.
7. Make him comfortable: Remind him where he can find a warm fuzzy blanket if he's cold. This will really show you care.
8. Listen to him: But don't ever let him get the last word.
9. Make the evening his: a chance to get the washer and garbage disposal fixed.
10. The Goal: To try to keep things amicable without reminding him that you make more money than he does.

An elderly woman decided to have her portrait painted. She told the artist: "Paint me with diamond earrings, a diamond necklace, emerald bracelets, a ruby broach, and gold Rolex."

"But you are not wearing any of those things."

"I know," she said. "It's in case I should die before my husband. I'm sure he will remarry right away, and I want his new wife to go crazy looking for the jewelry!"

### What men REALLY mean

"I'm going fishing."

Really means... "I'm going to drink myself dangerously stupid, and stand by a stream with a stick in my hand, while the fish swim by in complete safety."

"Let's take your car."

"Woman driver."

Really means.... "Someone who doesn't speed, tailgate, swear, make obscene gestures and has a better driving record than me."

"I don't care what color you paint the kitchen."

Really means.... "As long as it's not blue, green, pink, red, yellow, gray, lavender, mauve, black, turquoise or any other color besides white."

"It's a guy thing."

Really means.... "There is no rational thought pattern connected with it, and you have no chance at all of making it logical."

"Can I help with dinner?"

Really means.... "She used the smoke detector as a meal timer, too."

"I was listening to you. It's just that I have things on my mind."  
Really means.... "I wonder if that red-head over there's wearing a bra."

"Take a break, honey, you're working too hard."  
Really means.... "I can't hear the game over the vacuum cleaner."

"That's interesting, dear."  
Really means.... "Are you still talking?"

"Honey, we don't need material things to prove our love."  
Really means.... "I forgot our anniversary again."

"You expect too much of me."  
Really means.... "You want me to stay awake."

Really means.... "And I sure hope I think of some pretty soon."

"I can't find it."

Really means.... "It didn't fall into my outstretched hands, so I'm completely clueless."

"What did I do this time?"

Really means.... "What did you catch me at?"

"What do you mean, you need new clothes?"

Really means.... "You just bought new clothes 3 years ago."

"She's one of those rabid feminists."

Really means.... "She refused to make my coffee."

"But I hate to go shopping."

Really means.... "Because I always wind up outside the dressing room holding your purse."

"No, I left plenty of gas in the car."

Really means.... "You may actually get it to start."

"I'm going to stop off for a quick one with the guys."

Really means.... "I am planning on drinking myself into a vegetative stupor with my chest pounding, mouth breathing, pre-evolutionary companions."

"I heard you."

Really means.... "I haven't the foggiest clue what you just said, and am hoping desperately that I can fake it well enough so that you don't spend the next 3 days yelling at me."

"You know I could never love anyone else."

Really means.... "I am used to the way you yell at me, and realize it could be worse"

"You look terrific."

Really means.... "Oh, God, please don't try on one more outfit. I'm starving."

"I brought you a present."

Really means.... "It was free ice scraper night at the ball game."

"I missed you."

Really means.... "I can't find my sock drawer, the kids are hungry and we are out of toilet paper."

"I'm not lost. I know exactly where we are."

"This relationship is getting too serious."

Really means.... "I like you more than my truck."

"I recycle."

Really means.... "We could pay the rent with the money from my empties."

"Of course I like it, honey, you look beautiful."

Really means.... "Oh, man, what have you done to yourself?"

"It sure snowed last night."

Really means.... "I suppose you're going to nag me about shoveling the walk now."

"It's good beer."

Really means.... "It was on sale."

"I don't need to read the instructions."

Really means.... "I am perfectly capable of screwing it up without printed help."

"I'll fix the garbage disposal later."

Really means.... "If I wait long enough you'll get frustrated and buy a new one."

"I broke up with her."

Really means.... "She dumped me."

"I'll take you to a fancy restaurant."

Really means.... "Someplace that doesn't have a drive-thru window."

Two women came before wise King Solomon, dragging between them a young man in a 3-piece suit. "This young lawyer agreed to marry my daughter," said one.

"No! He agreed to marry MY daughter," said the other.

And so they haggled before the King until he called for silence.

"Bring me my biggest sword," said Solomon, "and I shall hew the young attorney in half. Each of you shall receive a half."

"Sounds good to me," said the first lady.

But the other woman said, "Oh Sire, do not spill innocent blood. Let the other woman's daughter marry him."

The wise king did not hesitate a moment. "The attorney must marry the first lady's daughter," he proclaimed.

"But she was willing to hew him in two!" exclaimed the king's court.

"Indeed," said wise King Solomon. "That shows she's the TRUE mother-in-law."

Billy was excited about his first day at school. So excited in fact, that only a few minutes after class started, he realized he desperately needed to use the bathroom. So, Billy raised his hand politely to ask if he could be excused. Of course, the teacher said yes, but asked Billy to be quick. Five minutes later Billy returned, looking more desperate and embarrassed.

"I can't find it," he admitted.

The teacher sat Billy down and drew him a little diagram to where he should go and asked him if he will be able to find it now. Billy looked at the diagram, said "yes" and goes on his way. Well five minutes later he returned to the classroom and says to the teacher, "I can't find it."

Frustrated, the teacher asked Tommy, a boy who has been at the school for a while, to help him find the bathroom. So, Tommy and Billy go together and five minutes later they both return and sit down at their seats. The teacher asks Tommy, "Well, did you find it?"

Tommy's quick to reply, "Sure - he just had his boxer shorts on backwards."

Pappy sees Elmer walking with a lantern and asks, "Where ya going, boy?"

The son smiled and replied, "I'm a-going courting Peggy-Sue."

The father said, "When I went a-courtin', I didn't need me no dang lantern."

"Sure Pa, I know," the boy said. "And look what *you* got!"

A young punker gets on the cross-town bus. He's got spiked, multicolored hair that's green, purple, and orange. His clothes are a tattered mix of leather rags, his legs are bare and he is without shoes. His entire face and body are riddled with pierced jewelry and his earrings are big, brightly multicolored feathers.

He sits down in the only vacant seat, directly across from an old man, who just stares at him for the next ten miles. Finally the punk gets self-conscious and barks at the old man: "What are you looking at you old joker"? Didn't you ever do anything wild when you were young?

Without missing a beat, the old man replies: "Yeah, back when I was young and in the Navy, I got really drunk one night in Singapore and had sex with a parrot. I thought maybe you were my son."

A woman with six children in tow approached the train fare counter and asked for five tickets. "One for me", she said, "then two full-fares for John and Jack who are 16; two half-fares for Millie and Mollie who are six; and none at all for Tim and Tom who are only four."

The ticket agent stared at the brood of twins. "Do you mean to tell me, madam," he said at last, "that you get two children every time?"

"Of course not," the woman replied. "Usually, we don't get any at all."

A woman was having a passionate affair with an inspector from a pest-control company. One afternoon husband arrived home unexpectedly. "Quick," she said to her lover, "into the closet!" She bundled him in the closet stark naked.

The husband, however, became suspicious and after a search of the bedroom discovered the man in the closet. "Who are you?" he asked him.

"I'm an inspector from Bugs-B-Gone," said the exterminator.

"What are you doing in there?" the husband asked.

"I'm investigating a complaint about an infestation of moths," the man replied.

"And where are your clothes?" asked the husband, angrily.

The man looked down at himself and said, "Those little bastards."

A sweet young thing thought she might have some fun with a stiff-looking military man at a cocktail party, so she asked him when last he'd had sex.

"1956," he immediately replied.

"No wonder you look so uptight!" she said. "You need to get out more."

"I'm not sure I understand you," he answered, glancing at his watch. "It's only 2014 now."

Men and women are different in the morning. Men wake up aroused in the morning. We can't help it. We just wake up and we want you. And women are thinking, 'how can he want me the way I look in the morning?' It's because we can't see you. We have no blood anywhere near our optic nerve.

It's weird when pregnant women feel the baby kicking. They say, 'Oh my God! He's kicking. You wanna feel it?' I always feel awkward reaching over there. Come on! It's weird to ask someone to feel your stomach. I don't do that when I have gas!

A missionary who had spent years showing a tribe of natives how to farm and build things to be self-sufficient gets the word that he is to return home. He realizes that the one thing he never taught the natives was how to speak English, so he takes the chief walking in the forest. He points to a tree and says to the chief, "This is a tree." The chief looks at the tree and grunts, "Tree."

The missionary is pleased. So they walk a little farther and he points to a rock and says, "This is a rock." Hearing this, the chief looks and grunts, "Rock."

The padre is really getting enthusiastic about the results when he hears a rustling in the bushes. As he peeks over the top, he sees a couple in the midst of heavy sexual activity. The padre is really flustered and quickly says, "Riding a bike."

The chief looks at the couple briefly, pulls out his blow gun and kills them. The padre goes ballistic and yells at the chief that he has spent years teaching the tribe how to be civilized and kind - how could he just kill these people in cold blood?

The chief replied, "My bike!"

An old man was sitting on his front porch down in Louisiana watching the sunrise. He sees the neighbor's kid walk by carrying something big under his arm. He yells out, "Hey boy, whatcha got there?"

Boy yells back, "Roll of chicken wire."

Old man says, "What you gonna do with that?"

Boy says, "Catch me some chickens."

Old man yells, "You damn fool, you can't catch chickens with chicken wire!"

Boy just laughs and keeps walking. That evening at sunset the boy comes walking by and to the old man's surprise he is dragging behind him the chicken wire with about 30 chickens caught in it.

Same time next morning the old man is out watching the sunrise and he sees the boy walk by carrying something kind of round in his hand.

Old man yells out, "Hey boy, whatcha got there?"

Boy yells back, "Roll of duck tape."

Old man says, "What you gonna do with that?"

Boy says back, "Gonna catch me some ducks."

Old man yells back, "You can't catch ducks with that!"

Boy laughs again and keeps walking. That night around sunset the boy walks by coming home and to the old man's amazement he is trailing behind him the unrolled duck tape with about 35 ducks caught in it.

Same time next morning the old man sees the boy walking by carrying a bunch of long reeds with something fuzzy on the ends.

Old man says, "Hey boy, whatcha got there?"

Boy says, "Pussy Willows."

Old man says, "Wait up.... I'll get my hat."

At a crowded bus stop, a beautiful young woman decked out in a tight leather mini skirt with matching tight leather boots and jacket was awaiting the bus.

As the bus rolled up and it was her turn to get on, she became aware that her skirt was too tight to allow her leg to come up to the height of the first step. Slightly embarrassed and with a quick smile to the bus driver she reached behind and unzipped her skirt a little, thinking this would give her enough slack to raise her leg. Again she tried to make the step up only to discover she still couldn't. So, a little more embarrassed, she once again reached behind her and unzipped her skirt a little more, and for a second time attempted the step - and once again, much to her chagrin, she couldn't raise her leg. So, with a coy little smile to the driver she again unzipped the offending skirt - and again was unable to make the step.

About this time the big Texan behind her in the line picked her up easily from the waist and placed her lightly into the bus. She went ballistic, turned on the would-be hero and screeched: "How dare you touch my body, I don't even know who you are!"

At this the Texan drawled: "Well ma'am, normally I'd agree with you but after you unzipped my fly three times I kinda figured we was friends!"

This guy had been sitting in a bar all night, staring at a girl wearing the tightest pants he'd ever seen. His curiosity gets the best of him and he walks over and asks, "How do you get into those pants?"

The woman looks him over and says, "You could start by buying me a drink."

"Last night I made love to my wife four times," the Frenchman brags, "and this morning she couldn't stop telling me how much she adored me."

"Last night I made love to my wife six times," the Italian replies, "and today she said she could never love another man."

The American remains silent, and the Frenchman smugly asks, "How many times did you make love to your wife last night?"

"Once," says the American.

"Only once?" the Italian snorts arrogantly. "And what did she say to you this morning?"

"Don't stop."

A man goes into a supermarket and buys a tube of toothpaste, a bottle of Pepsi, a bag of tortilla chips, and a frozen pizza. The cute girl at the register looks at him and says, "Single, huh?"

Sarcastically the guy sneers, "How'd you guess?"

She replies, "Because you're really ugly."

A couple takes their young son to the circus. When his father goes to buy popcorn, the boy asks, "Mom, what's that long thing on the elephant?"

"That's the elephant's trunk, dear," she replies.

"No, Mom. Down underneath."

The mother blushes and says, "Oh, that. That's nothing."

The boy's father returns, and his mother goes off to get a soda. As soon as she leaves, the boy repeats his question.

"That's the elephant's trunk, son," his father answers.

"Dad, I know what a trunk is. What's the thing down there?"

His father looks and says, "Oh, that's the elephant's penis."

"Dad," the boy says, "how come when I asked Mom, she said it was nothing?"

His father takes a deep breath and explains, "Son, I've spoiled that woman."

A man lies on his deathbed, surrounded by his family: a weeping wife and 4 children, 3 of whom are tall, good looking and athletic; but the fourth and youngest is an ugly runt.

"Darling," the husband whispers, "assure me that the youngest child really is mine. I want to know the truth before I die, I will forgive you if ... "

The wife gently interrupts him. "Yes, my dearest, absolutely, no question, I swear on my mother's grave that you are his father."

The man then dies, happy. The wife mutters under her breath: "Thank God he didn't ask about the other three."

There once was a man who was so proud he had 6 kids that he insisted on calling his wife "Mother of Six." His wife hated this and asked him repeatedly not to say it, but he was a stubborn man and very proud he had 6 kids.

One evening they were at a dinner party for his company and it was getting close to the time that they should be leaving. The husband yelled from across the room over to his wife, "Mother of Six, are you ready to go?"

Annoyed with his question, she responded, "In a minute, Father of Four."

3 guys were talking in the pub. 2 of them were talking about the amount of control they had over their wives, but the third remained quiet.

After a while one of the first 2 turned to the third: "Well, what about you, what sort of control do you have over your wife?"

The third fellow says, "I'll tell you. Just the other night my wife came to me on her hands and knees."

The first 2 were amazed. "Wow! What happened then?" they asked.

The third man took a healthy swallow of his beer, sighed and uttered, "She said, "Get out from under the bed and fight like a man."

Two little kids in a hospital were lying next to each other. The first kid leans over and asks "What are you here for?"

The second kid says: "To get my tonsils out - and I'm a little nervous."

The first kid says "Nothing to worry about - I had that done. They put you to sleep and when you wake up you get lots of Jell-O and ice cream. It's a piece of cake!"

The second kid then asks "What are you in here for?"

The first kid replies: "For a circumcision."

The second kid says "Whoa! I had that done when I was born - and I couldn't walk for a year."

Dave works hard at the plant and spends most evenings bowling or playing basketball at the gym. His wife thinks he is pushing himself too hard, so for his birthday she takes him to a local strip club.

The doorman at the club greets them and says, "Hey, Dave, how ya doin?" His wife is puzzled and asks if he's been to this club before. "Oh no," says Dave. "He's on my bowling team."

When they are seated, a waitress asks Dave if he'd like his usual Budweiser. His wife is becoming uncomfortable and says, "You must come here a lot for that woman to know you drink Budweiser".

"No, honey, she's in the Ladies Bowling League. We share lanes with them."

A stripper comes over to their table and throws her arms around Dave. "Hi Davey," she says, "Want your usual table dance?"

Dave's wife, now furious, grabs her purse and storms out of the club. Dave follows and spots her getting into a cab. Before she can slam the door, he jumps in beside her and she starts screaming at him. The cabby turns his head and says, "Looks like you picked up a real crab tonight, Dave."

"My husband bought me a mood ring the other day. When I'm in a good mood it turns green. When I'm in a bad mood, it leaves a red mark on his forehead."

In a recent Harris On-line poll 38,562 men across the US were asked to identify woman's ultimate fantasy. 97.8% of the respondents said that a woman's ultimate fantasy is to have two men at once. While this has been verified by a recent sociological study, it appears that most men do not realize that in this fantasy, one man is cooking and the other is cleaning.

A dietician was once addressing a large audience. "The material we put into our stomachs is enough to have killed most of us years ago. Red meat's awful. Soft drinks erode your stomach lining. Chinese food is loaded with MSG. Vegetables can be disastrous - and none of us realizes the long-term harm caused by the germs in our drinking water.

"But there is one thing that is the most dangerous of all and we all have, or will, eat it. Can anyone here tell me what food it is that causes the most grief and suffering for years after eating it?"

A 75-year-old man in the front row stood up and said, "Wedding cake."

### **IT'S GOOD TO BE A WOMAN**

We got off the Titanic first.

We can scare male bosses with mysterious gynecological disorder excuses.

Taxis stop for us.

We don't look like a frog in a blender when dancing.

No fashion faux pas we make could ever rival the Speedo.

We don't have to pass gas to amuse ourselves.

If we forget to shave, no one has to know.

We can congratulate our teammate without ever touching her rear.

We never have to reach down periodically to be sure our privates are still there.

We have the ability to dress ourselves.

We can talk to people of the opposite sex without having to picture them naked.

If we marry someone 20 years younger, we're aware we look like idiots.

We know there are times when chocolate really can solve all your problems.

We'll never regret piercing our ears.

We can fully assess a person just by looking at their shoes.

And we can make comments about how silly men are *in their presence*, because they aren't listening anyway.

A man died and his wife phoned the newspaper to place an obituary. She called the obit department: "This is what I want to print: Bernie is dead."

The man at the paper said, "But for \$25 you're allowed to print 6 words."

The woman answered, "OK. Then print: Bernie is dead. Toyota for sale."

### **BUT MOM....**

Paul Revere's Mother: I don't care where you think you have to go, young man, midnight is past your curfew.

Mona Lisa's: After all that money your father and I spent on braces, that the biggest smile you can give us?

Columbus': I don't care what you've discovered, you still could have written!

Michelangelo's: Can't you paint on walls like other children? Do you have any idea how hard it is to get that stuff off the ceiling?

Napoleon's: All right, if you aren't hiding your report card inside your jacket, take your hand out of there and show me.  
Lincoln's: Again with the stovepipe hat? Can't you wear a baseball cap like other kids?  
Mary's: I'm not upset that your lamb followed you to school, but I would like to know how he got a better grade than you did.  
Einstein's: But it's your senior picture. Can't you do something about your hair? Syling, gel, mousse, something ...  
Washington's: The next time I catch you throwing money across the Potomac, you can kiss your allowance good-bye!  
Jonah's: That's a nice story. Now, where have you *really* been the last 3 days?  
Edison's: Of course I'm proud you invented the electric light bulb. Now turn it off and get to bed.

Two housewives were discussing their home lives. One said, "It seems like all Alfred and I do anymore is fight. I got so upset over our last one, I lost 20 pounds."  
"Why don't you just leave him then?" asked her friend.  
"Oh! Not yet." the first replied, "I'd like to lose at least another 10 pounds."

A man was called into his bank to discuss his accounts.  
"Your finances are in terrible shape," the banker stated. "Your checking account is overdrawn and your loan is overdue."  
"Yes, I know." said the man. "It's my wife, she is out of control."  
"Why do you allow your wife to spend more money than you have?"  
"Frankly, because I'd rather argue with you than with her."

A farmer lived on a quiet rural highway. But a new expressway bypass meant an alarming increase in traffic. In fact, it was so heavy and so fast that his chickens were being run over at a rate of three a day. So he called the sheriff's office and said, "You've got to do something about these people driving so fast and killing all of my chickens."

So the next day the sheriff went out and put up a sign that read: SLOW: SCHOOL CROSSING

Three days later the farmer called again and said, "You've got to do something about these drivers. The School Crossing sign seems to make them go faster."

So, again, the sheriff went out and put up a new sign: SLOW: CHILDREN AT PLAY

No good. So the farmer calls again and again, everyday for 3 weeks, but the sheriff just doesn't have time to put up signs every week. Finally, the telephone calls stop and the sheriff becomes very curious.

So he drives out to the farmer's house, and there on the edge of the road he sees a new sign. It's a whole sheet of plywood. And written in large yellow letters are the words: SLOW: NUDIST COLONY

If you love something, set it free.

If it comes back, it will always be yours.

If it doesn't come back, it was never yours to begin with.

But, if it just sits in your living room, messes up your stuff, eats your food, uses your telephone, takes your money, and doesn't appear to realize that you had set it free ... You either married it or gave birth to it.

A father and his little boy went into a local drug store to pick up a prescription. While in the store the little boy was looking around and came upon a rather large display for condoms. The little boy looked at all the brightly colored packages and the different types and the different quantities.

The little boy went over to his father: "Daddy, what are these condoms?"

The father, stuttered, and said "Well, they are for protection from diseases when a man and a woman make love."

The little boy contemplated the concept for a few moments and then asked, "Then, why do these come in a package of three?"

The father coyly answered, "Those are for young men in high school. One for Friday night, one for Saturday night and one for Sunday afternoon."

"UH-HUH" said the little boy, "then why are these in packages of six?"

The father smirked, "Those are for young men in college. There are two for Friday night, two for Saturday night and two for Sunday afternoon."

"WOW" said the little boy in amazement. He then asked, "Well, then why are these packaged a dozen at a time?"

The dad said, "Those are for married men. 1 for January, 1 for February ..."

An old priest got sick of all his parishioners confessing adultery. One Sunday, from the pulpit, he said, "If I hear one more person confess to adultery, I'll quit!"

Well, everyone liked him, so they came up with a code word. Someone who had committed adultery would say they had "fallen." to satisfy the old priest and things went well till the priest died at a ripe old age. About a week after the new priest arrived, he visited the Mayor of the town and seemed very concerned.

The priest said, "You have to do something about the sidewalks in town. When people come to the confessional, they keep talking about having 'fallen.'"

The Mayor started to laugh, realizing the priest didn't know about the code word. Before the mayor could explain, the priest shook an accusing finger at the mayor: "I don't know why you're laughing! Your wife fell three times this week."

This guy went golfing every Saturday and Sunday, no matter the weather - he was hooked on golf for his days off. One Saturday he left early and headed for the golf course, but it was so bitterly cold he decided he wouldn't play that day and went back home. His wife was still in bed when he got there, so he took off his clothes and snuggled up to his wife's backside and said: "Terrible weather today."

She replied, "Yeah, and can you believe my stupid husband went golfing!"

An older Jewish gentleman marries a younger lady and they're very much in love. However, no matter what the husband does sexually, the woman never achieves orgasm. Since a Jewish wife is entitled to sexual pleasure, they decide to ask the rabbi.

The rabbi listens to their story, strokes his beard, and makes the following suggestion. "Hire a strapping young man. While the two of you are making love, have the young man wave a towel over you. That will help the wife fantasize and should bring on an orgasm."

They go home and follow the rabbi's advice. They hire a handsome young man and he waves a towel over them as they make love. But it doesn't help and she is still unsatisfied. Perplexed, they go back to the rabbi.

"Okay," says the rabbi, "let's try it reversed. Have the young man make love to your wife and you wave the towel over them."

Once again, they follow the rabbi's advice. The young man gets into bed with the wife and the husband waves the towel. The young man gets to work with great enthusiasm and the wife soon has a room-shaking orgasm.

The husband smiles, looks at the young man and says to him triumphantly, "You see, THAT'S the way to wave a towel!"

A very confident James Bond walks into a bar and takes a seat next to a very attractive woman. He gives her a quick glance, and then casually looks at his watch for a moment.

The woman notices this and asks, "Is your date running late?"

"No," he replies, "Q has just given me this state-of-the-art watch and I was just testing it."

The intrigued woman says, "A state-of-the-art watch? What's so special about it?"

Bond explains, " It uses alpha waves to talk to me telepathically."

The lady says, what's it telling you now?"

"Well, it says you're not wearing any panties ... "

The woman giggles: "Well, it must be broken - I *am* wearing panties!"

A recently divorced woman is walking along the beach contemplating how badly screwed she got in her divorce settlement, when she spies a magic lamp washing up onshore. She rubs the lamp, and out pops a genie!

The genie notices her anger and lets her vent her troubles. As a consolation, the genie informs her he'll give her 3 wishes. But, he cautions that because he does not believe in divorce, he'll give her ex-husband 10 times the amount of whatever she wishes for.

The woman is steaming mad, thinking that this is hardly fair, but she makes her first wish ... for a billion dollars. The genie grants her wish and she finds herself sitting in pile of one billion one-dollar bills. The genie then reminds her that her husband is now the recipient of 10 billion dollars.

The woman can barely contain her anger when she makes her second wish for a beautiful mansion on the shore of her own private beach. In an instant it's granted, but the genie reminds her that her ex-husband now owns 10 of those, and points out the beach to a small development of 10 such mansions.

Upon hearing this, the woman takes her time to contemplate her last wish. Just as the genie was about to give up on her, the woman informs him that she wants to make the last wish. But, before she can do this, the genie again warns her that her ex-husband will get 10 times what she wishes for. "No problem," said the woman as she grinned in ecstasy. "I'd like to give birth to twins."

A man was sitting quietly reading his paper one morning, peacefully enjoying himself, when his wife sneaks up behind him and whacks him on the back of his head with a huge frying pan.

MAN: •What was that for?

WIFE: •What was that piece of paper in your pants pocket with the name Marylou written on it?

MAN: •Oh honey, remember two weeks ago when I went to the horse races? Marylou was the name of one of the horses I bet on.

The wife looked satisfied, apologizes, and goes off do work around the house.

Three days later he is once again sitting in his chair reading and she repeats the frying pan swatting.

MAN: •What the hell was that for *this* time?

WIFE: •Your horse called!

How many honest, intelligent, caring men in the world does it take to do the dishes? Both of them.

Why did the man cross the road? He heard the chicken was a slut.

Why don't women blink during foreplay? They don't have time.

Why does it take 1 million sperm to fertilize one egg? They won't stop to ask directions.

How does a man show that he is planning for the future? He buys two cases of beer.

What do you call a woman who knows where her husband is every night? A widow.

When do you care for a man's company? When he owns it.

What are a woman's four favorite animals? A mink in the closet, a Jaguar in the garage, a tiger in the bedroom, and a jackass to pay for it all.

Why are married women heavier than single women? Single women come home, see what's in the fridge and go to bed. Married women come home, see what's in bed and go to the fridge.

How do you get a man to do sit-ups? Put the remote control between his toes.

What did God say after creating man? "I must be able to do better than that."

What did God say after creating Eve? "Practice makes perfect."

How are men and parking spots alike? Good ones are always taken. Free ones are mostly handicapped or too small.

A woman woke in the middle of the night to find her husband missing from bed. In the stillness of the house, she could hear a muffled sound downstairs.

She went downstairs, looked all around, but still not finding her husband. Listening again, she could definitely hear moaning. She went down to the basement to find her husband, crouched in the corner facing the wall, sobbing.

"What's wrong with you?" she asked him.

"Remember when your father caught us fooling around when you were 16? And remember, he said, I had two choices: I could either marry you, or spend the next 20 years in prison."

Baffled, she said, "Yes, I remember. So?"

"I would have gotten out today."

Advice for the day: If you have a lot of tension and you get a headache, do what it says on the aspirin bottle: "Take two aspirin." and "Keep away from children."

- - - - -

In the Beginning, God created Heaven and Earth and then He created man: God said, "Adam, I want you to do something for me."  
Adam said, "Gladly, what do You want me to do?"  
God said, "Go down into that valley."  
And Adam said, "What's a valley?"  
And God explained it to him.  
Then God said, "Cross the river."  
And Adam said, "What's a river?"  
And God explained to him, and then said, "Go over to the hill."  
And Adam said, "What is a hill?"  
And God explained that to him.  
Then He told Adam, "On the other side of the hill you will find a cave."  
And Adam said, "What's a cave?"  
And God explained that to him, then said, "In the cave you will find a Woman."  
And Adam said, "What's a woman?"  
So God explained that to him, and said, "I want you to reproduce."  
And Adam said, "How do I do that?"  
So God explained to him.  
So off went Adam, down into the valley, across the river, and over the hill, and into the cave and found the woman, and in about fifteen minutes, Adam was back.  
God patiently replied, as He always does, "Yes... how can I help you?"  
And Adam said, "What's a headache?"

Young Son: Is it true, Dad, I heard that in some parts of Africa a man doesn't know his wife until he marries her? Dad: That happens in every country, son.

A man inserted an ad in the classifieds: "Wife wanted". Next day he received a hundred letters. They all said the same thing: "You can have mine."

The most effective way to remember your wife's birthday: forget it once.

Just think: if it weren't for marriage, men would go through life thinking they had no faults at all.

If you want your wife to listen and pay undivided attention to every word you say, talk in your sleep.

First guy (proudly): "My wife's an angel!

Second guy: "You're lucky, mine's still alive."

A young man excitedly tells his mother he's fallen in love and going to get married. He says, "Just for fun, Ma, I'm going to bring over 3 women and you try and guess which one I'm going to marry."

The mother agrees.

The next day, he brings three beautiful women into the house and sits them down on the couch and they chat for a while. He then says, "Okay, Ma, guess which one I'm going to marry."

She immediately replies, "The one in the middle."

"That's amazing, Ma. You're right. How did you know?"

"I don't like her."

I was sitting in the waiting room of the hospital after my wife had gone into labor when the nurse walked out and said to a man sitting there, "Congratulations sir, you're the new father of twins!" The man replied, "How about that! I work for the Minnesota Twins baseball team."

About an hour later, the same nurse entered the waiting room and announced that Mrs. Smith had just had triplets. Mr. Smith stood up and said, "Well, how do ya like that, I work for 3M!"

When the nurse appeared next, she told the third man that his wife had given birth to quadruplets. "That's amazing! I work for the Four Seasons Hotel!"

At this point the gentleman sitting next to me let out a little strangled gasp and hurriedly got up, obviously distraught. When I asked him if he was okay, he explained, "I think I need a breath of fresh air." The man continued, "I'm the casting director for 101 Dalmatians."

They pulled into a nearby farm and asked the attractive lady at the door if they could spend the night. "I realize it's terrible weather out there and I have this huge house all to myself, but I'm recently widowed", she explained. "I'm afraid the neighbors will talk if I let you stay in my house."

"Don't worry", Jack said. "We'll be happy to sleep in the barn. And if the weather breaks, we'll be gone at first light." The lady agreed and the 2 men found their way to the barn and settled in for the night. Come morning, the weather had cleared and they got on their way. They enjoyed a great weekend of skiing.

About 9 months later, Jack got an unexpected letter from an attorney. It took him a few minutes to figure it out, but he finally determined that it was from the attorney of that attractive widow he had met on the ski weekend. So he dropped in on his friend Bob and asked, "Bob,

do you remember that good-looking widow from the farm we stayed at on our ski holiday up North?"

Bob said, "Yes, I do."

"Did you happen to get up in the middle of the night, go up to the house and pay her a visit?"

"Yes", Bob said, embarrassed at being found out. "I have to admit that I did."

"And did you happen to use my name instead of telling her yours?"

Bob's face turned red as he said, "Yeah. Sorry, buddy. I'm afraid I did. Why?"

"She just died and left me a bundle!"

A recent study was done by USA Today to determine the most popular position for sex amongst married couples. The results showed, overwhelmingly, that it's *doggie style*: he sits up and begs, while she rolls over and plays dead.

A man and his wife went to bed 1 night and the man was getting very frisky - he asked his wife if she was in the mood.

His wife answered, "Not tonight dear - I have a headache."

The man replied, "Is that your final answer?"

She said, "Yes."

He said, "Ok, then, I'd like to phone a friend."

A mother and her son were flying Southwest Airlines from Kansas City to Chicago. The son, who had been looking out the window, turned to his mother and asked, "If big dogs have baby dogs and big cats have baby cats, why don't big planes have baby planes?"

The mother, who couldn't think of an answer, told him to ask the stewardess.

So the boy did. "If big dogs have baby dogs and big cats have baby cats, why don't big planes have baby planes?"

The stewardess responded, "Did your mother tell you to ask me?"

The boy admitted that this was the case.

"Well, then," she replied, "tell your mother that there are no baby planes because Southwest always pulls out on time. Your mom can explain THAT to you!"

A couple was arranging for their wedding and asked the bakery to inscribe the wedding cake with 1 John 4:18: *There is no fear in love, but perfect love casts out fear.*

The bakery evidently lost, smudged or otherwise misread the noted reference and beautifully inscribed on the cake John 4:18: *for you have had 5 husbands and the man you have now is not your husband.*

A man enters his favorite ritzy restaurant and, while sitting at his regular table, notices a gorgeous woman alone at a table nearby. He calls the waiter over and asks for their most expensive bottle of Merlot to be sent over to her - knowing that if she accepts it, she's his.

The waiter gets the bottle and quickly sends it over to the girl, saying this is from the gentleman. She looks at the wine and decides to send a note over to the man. The note reads: For me to accept this bottle, you need to have a Mercedes in your garage, a million dollars in the bank and 7 inches in your pants.

The man, after reading the note, sends 1 of his own back to her: Just so you know - I happen to have a Ferrari Testarosa, a BMW 850L and a Mercedes 560SEL in my garage; plus I have over \$23 million in the bank - but, not even for a woman as beautiful as you, would I cut off 3 inches! Just send the bottle back.

Two elderly widows, were watching folks go by from their park bench. Ethel said, "You know, Mabel, I've been reading this 'Sex and Marriage' book, and all they talk about is 'mutual orgasm.' Mutual orgasm here and mutual orgasm there - that's all they talk about. Tell me - when your husband was alive, did you ever have mutual orgasm?"

Mabel thought for a long while. Finally, she shook her head and said: "No, I think we had State Farm."

A woman was sitting at a bar enjoying an after-work cocktail with girlfriends when an exceptionally tall, handsome, extremely sexy young man entered. He was so striking that the woman couldn't take her eyes away from him. The young man noticed her overly attentive stare and walked directly toward her.

Before she could offer her apologies for being so rude for staring, the young man said to her, 'I'll do anything, absolutely anything, that you want me to do, no matter how kinky, for \$20 - on 1 condition.'

Flabbergasted, the woman asked what the condition was. The young man replied, "You have to tell me what you want me to do in just 3 words."

The woman considered his proposition for a moment, withdrew some bills from her purse and slowly counted out 4 \$5 bills, which she pressed into the young man's hand along with her address.

She looked deeply into his eyes, and slowly, meaningfully said: "Clean my house."

A Tampa father, son and grandson go to the country club for their weekly round of golf. Just as they reach the first tee, a beautiful young blonde woman carrying her bag of clubs approaches. She says the member who brought her to the club has had to leave for an emergency and asks whether she can join them.

Smiling, the blonde thanks them and says, "Look, fellows, I work in a tap dance place as a dancer, so nothing shocks me anymore. If any of you wants to smoke, have a beer, bet, take a leak, swear or tell off-color stories or do anything that you normally do when playing a round together, go ahead. But I enjoy playing golf and consider myself pretty good, so don't try to coach me on how to play."

With that the guys agree to relax and invite her to drive first. All eyes are on her shapely behind as she bends to place her ball on the tee. She then takes her driver and hits the ball 270 yards down the middle, right in front of the green. The father's mouth is agape. "Christ, that was beautiful,"

The blonde puts her driver away and says, "I really didn't get into it and I should have faded it a little,"

After the 3 guys hit their drives and their second shots (she was closest to the pin) the blonde takes out a 9 iron and lofts the ball within 5 feet of the hole. The son says: "Damn, lady, you played that perfectly,"

The blonde frowns: "It was a little weak. I've left a tricky little putt,"

After the son buries a long putt for a par, dad 2 putts for a bogey and granddad overruns the green with his pitching wedge, chips back and putts for a double bogey, and the blonde taps in the 5-footer for a birdie.

The guys all congratulate her on her fine game so far.

She puts her putter back in the bag and says, "Thanks, but I really haven't played much lately and I'm a little rusty. Maybe I'll really get into this next drive,"

Having the honors she drives first on the second hole and knocks the hell out of the ball and it lands nearly 300 yards away smack in the middle of the fairway. For the rest of the round the statuesque blonde continues to amaze the guys, quietly and methodically shooting for par or less on every hole.

When they get to the 18th green, the blonde is 3 under, but has a very nasty 12-foot putt on an undulating green for par. She turns to the guys and says, "I really want to thank you all for not acting like chauvinists and telling me how to play a shot - but I need this putt for a 69 and I'd really like to break 70 here. If any one of you can tell me how to make par here, I'll take him back to my apartment, pour some 25-year old single malt into him, fix dinner and then have sex with him the rest of the night,"

The yuppie son jumps at the thought. He strolls across the green, carefully eyes the line of the putt and finally says, "Honey, aim for about *6 inches* to the right of the hole and hit it firm. It'll get over that little hump and break right into the cup."

The father kneels down and sights the putt using his putter as a plumb. "Don't listen to the kid, darlin', you want to hit it softly *10 inches* to the right and run it left down that little hogback, so it falls into the cup."

The old gray haired grandfather walks over to her ball on the green, picks it up and hands it to the her. "That's a gimme, sweetheart. Your car or mine?"

To celebrate 50 years of marriage, a couple booked a weekend at St. Andrews. On the third tee, the husband said, "Darling, I have to confess something. 20 years ago I had a brief affair. It meant nothing. I hope you can forgive me."

His wife was hurt but said, "Dearest, those days are long gone. What we have now is far more valuable. I forgive you." They embraced and kissed.

On the 17th tee the wife said: "Darling, since we're being honest with each other, I have something to tell you. 52 years ago I had a sex change operation. I was a man before we met."

The husband threw a fit! He cursed, threw his driver away, broke the rest of his clubs, tore at his clothes, screamed and ranted, "You liar! You despicable cheat! How could you? I trusted you and you've played off the ladies' tee all these years!"

A man takes his wife to the State Fair - 1 exhibit is that of breeding bulls. They come up to the first pen and there's a sign that says: "This Bull mated 50 times last year." The wife pokes her husband and says: "50 times last year!"

They walked a little further and see a sign that says: "This Bull mated 120 times last year." The wife hits her husband and says: "That's more than twice a week! You could learn a lot from him!"

They walk further and a third pen has a sign saying "This Bull mated 365 times last year." The wife gets really excited and says: "That's once a day." You could REALLY learn something from this one!"

The husband looks at her and says: "Go ask him if it was with the same cow."

After the birth of their 10th child, an Arkansas couple decided that enough was enough. The husband went to the doctor and told him that he and his wife didn't want any more children, and he asked what could the doctor do to help.

The doctor smiled, told him to go home, get a cherry bomb, put it in a can, then hold the can up to his ear and count to 10.

The man relayed this story to his wife, and shaking his head in doubt said, "I may not be the smartest man in the world, but I don't see how putting a cherry bomb in a can next to my ear is going to help!"

His wife agreed, and they drove to Missouri together for a second opinion. Surprisingly enough, when they told the second doctor why they'd come, he asked them where they were from, and then told them to buy a cherry bomb, put it in a can, and for the husband to hold it next to his ear and count to 10.

Deciding that both doctors couldn't be wrong, the couple went home, lit a cherry bomb and put it in a can. The husband held the can up to his ear and began to count: "1, 2, 3, 4, 5...", at which point he paused, placed the can between his legs and counted on his other hand: "6, 7, 8..."

### **God's Gifts To Adam**

One day The Lord spoke to Adam. "I've some good news and some bad news."

Adam looked at The Lord and replied, "Well, give me the good news first."

Smiling, The Lord explained, "I've 2 new organs for you, 1 is called a brain. It will allow you to create new things, solve problems and have intelligent conversations with Eve. The other organ I is called a penis. It will give you great physical pleasure and allow you to reproduce your now intelligent life form and populate this planet. Eve will be very happy that you now have this organ to give her children."

Adam, very excited, exclaimed, "These are great gifts you have given to me. What could possibly be bad news after such great tidings?"

The Lord looked upon Adam and said with great sorrow, "You will never be able to use these 2 gifts at the same time."

A man was on holiday in the Caribbean and, liking the warm tropical weather, settled down for a day's sunbathing. He fell asleep, and after a whole day his legs became sunburned beyond belief. He could hardly stand the pain. He decided to go to the doctor for treatment.

The doctor looked at his lobster-colored legs and shook his head. "You must realize that this is only a small village surgery," he explained. "I've really got nothing at all to help you. However, try taking this just before bedtime..." The doctor gave him one tablet of Viagra.

Puzzled, the man asked, "I've got acute sunburn: what's a Viagra tablet going to do?"

"Nothing at all for the sunburn, but it'll keep the sheets off your legs"

A second grader came home from school and said to her mother, "Mom, guess what? We learned how to make babies today."

The mother, more that a little surprised, tried to keep her cool. "That's interesting," she said, "How do you make babies?" "It's simple," replied the girl. "You just change *y* to *i* and add *es*."

A couple had been married for 25 years and also celebrated their 50th birthdays. During the celebration a fairy appeared and said that because they had been such a loving couple all those years, she would give them one wish each. The wife wanted to travel around the world. The fairy waved her wand and boom! She had the tickets in her hand. Next, it was the husband's turn. He paused for a moment and then said shyly, "Well, I'd like to have a woman 30 years younger than me." The fairy picked up her wand and boom! He was 90!

One night a fellow drove his secretary home after she had imbibed a little too much at an office reception. Although this was an innocent gesture, he decided not to mention it to his wife, who tended to get jealous easily.

The next night the man and his wife were driving to a restaurant. Suddenly he looked down and spotted a high-heel shoe half hidden under the passenger seat. Not wanting to be conspicuous, he waited until his wife was looking out her window before he scooped up the shoe and tossed it out of the car.

With a sigh of relief, he pulled into the parking lot, only to notice his wife squirming around in her seat. "Honey," she asked, "have you seen my other shoe?"

Paul returned from a doctor's visit and told his wife the doctor said he only had 24 hours to live.

Wiping away her tears, he asked her to make love with him. Of course she agreed and they made passionate love.

6 hours later, Paul went to her again, and said, "Honey, now I've only 18 hours left. Could we make love again?" Alma agrees, and again they make love.

Later, Paul is getting into bed when he realized he now had only 8 hours left. He touched Alma's shoulder: "Honey? Please? Just 1 more time before I die."

She agreed, and then afterward she rolled over and fell asleep. Paul, however, heard the clock ticking in his head, and he tossed and turned until he was down to only 4 more hours. He tapped his wife on the shoulder to wake her up. "Honey, I only have 4 hours left! Could we...?"

His wife sat up abruptly, turned to him and said, "Listen Paul, I have to get up in the morning! You don't!"

A mother took her daughter to the doctor and asked him to give her an examination to determine the cause of her daughters swollen abdomen. It only took the doctor about 2 seconds to say "Gimmee a break lady! Your daughter is pregnant." The mother turned red with fury and argued with the doctor that her daughter was a good girl and would never compromise her reputation by having sex with a boy. The doctor faced the window and silently watched the horizon. The mother became enraged and screamed, "Quit looking out the window! Aren't you paying attention to me?" "Yes, of course I am paying attention ma'am. It's just that the last time this happened, a star appeared in the east and 3 wise men came. I was hoping they'd show up again to help."

An escaped convict, imprisoned for 1st degree murder, had spent 25 years of his life sentence in prison. While on the run, he broke into a house and tied up a young couple who'd been sleeping in the bedroom. He tied the man to a chair on one side of the room and his wife on the bed.

He got on the bed right over the woman, and it appeared he was kissing her neck. Suddenly he got up and left the room. As soon as possible the husband made his way across the room to his bride, his chair in tow, and whispered, "Honey, this guy hasn't seen a woman in years. I saw him kissing on your neck and then he left in a hurry. Just cooperate and do anything he wants. If he wants to have sex with you, just go along with it and pretend you like it. Whatever you do don't fight him or make him mad. Our lives depend on it! Be strong and I love you."

After spitting out her gag, the half naked wife says: "Dear, I'm so relieved you feel that way. You're right, he hasn't seen a woman in years, but he wasn't kissing my neck. He was whispering in my ear. He said he thinks you're really cute and asked if we kept the Vaseline in the bathroom. Be strong and I love you, too."

An old man was on the beach and walked up to a beautiful girl in a bikini. "I want to feel your breasts" he exclaimed.

"Get away from me, you crazy old man" she replied.

"I want to feel your breasts, I will give you twenty dollars," he says.

"Twenty dollars, are you nuts? Get away from me!"

"I want to feel your breasts, I will give you ONE HUNDRED DOLLARS," he stated.

"NO! Get away from me!"

"TWO HUNDRED DOLLARS" he offered.

She paused to think about it, but then comes to her senses: "I said NO!"

"FIVE HUNDRED DOLLARS if you let me feel your breasts," he claimed.

She thought, well he is old, and he seems harmless enough - and \$500 IS a lot of money ...

"Well, OK ... but only for a minute." She loosened her bikini top and while both are standing there on the beach, he slid his hands underneath and began to feel... then he started saying, "OH MY GOD ... OH MY GOD ... OH MY GOD ..."

Out of curiosity, she asked: "Why do you keep repeating, 'Oh my God'?"

While continuing to feel her breasts he answered, "OH MY GOD ... OH MY GOD ... OH MY GOD ... OH MY GOD - where am I ever going to get \$500?"

A father watched his daughter playing in the garden. He smiled as he reflected on how sweet and innocent she was. Suddenly she just stopped and stared at the ground. He went over to see she was looking at 2 spiders mating.

"Daddy, what are those 2 spiders doing?" she asked.

"They're mating," her father replied.

"What do you call the spider on top, Daddy?" she asked.

"That's a Daddy Longlegs." Her father answered.

"So, the other one is a Mommy Longlegs?" the little girl asked.

"No," her father replied. "Both of them are Daddy Longlegs."

The little girl thought for a moment, then took her foot and stomped them flat. "Well, we're not having any of that shit in our garden!"

My husband came home with a tube of KY jelly and said, "This will make you happy tonight."

He was right. When he went out of the bedroom, I squirted it all over the doorknobs. He couldn't get back in.

A couple is lying in bed. The man says, "I am going to make you the happiest woman in the world"

The woman says, "I'll miss you."

"It's just too hot to wear clothes today," Jack says as he stepped out of the shower, "honey, what do you think the neighbors would think if I mowed the lawn like this?"

"Probably that I married you for your money," she replied.

He said: Since I first laid eyes on you, I've wanted to make love to you really badly.

She said: Well, you've succeeded.

A man wonders if having sex on the Sabbath is a sin because he is not sure if sex is work or play. He asks a priest for his opinion on this question. After consulting the Bible, the priest says, "My son, after an exhaustive search, I am positive that sex is work and is therefore not permitted on Sundays."

The man thinks: "What's a priest know about sex?" So he goes to a minister, who after all is married and experienced in this matter. He queries the minister and receives the same reply. "Sex is work and therefore not for the Sabbath!"

Not pleased with the reply, he seeks out a Rabbi, a man of thousands of years of tradition and knowledge. The Rabbi ponders the question, then states, " My son, sex is definitely play."

"Rabbi, how can you be so sure when so many others tell me sex is work?"

The Rabbi softly speaks, "My son, if it were work, my wife would have the maid do it."
