

## **Summertime Peach Ice Cream**

**SOURCE:** Southern Living

### **INGREDIENTS:**

4 C peeled, diced fresh peaches (about 8 small ripe peaches)  
1 C sugar  
1 (12-oz) can evaporated milk  
1 (3.75-oz) package vanilla instant pudding mix  
1 (14-oz) can sweetened condensed milk  
4 C half-and-half

### **DIRECTIONS:**

Combine peaches + sugar - let stand 1 hour.

Process peach mixture in food processor till smooth, stopping to scrape down sides - stir together evaporated milk + pudding mix in large bowl - stir in peach purée, condensed milk + half-and-half - pour mixture into freezer container of a 4-qt hand-turned or electric freezer - freeze according to manufacturer's instructions - spoon into airtight container and freeze till firm.

Yield: 2 quarts
